THOUGHTS FROM THE EXECUTIVE DIRECTOR

"Never doubt that a small group of thoughtful, committed citizens can change the world; indeed, it's the only thing that ever has." (Margaret Mead anthropologist/humanitarian)

Our organization is grateful to have a pool of 54 dedicated Court Appointed Special Advocates, an amazing Board of Directors, generous donors, special event volunteers, business sponsors, agency partners, children's attorneys, circuit court judges, and communities who fully support our mission. We couldn't do it without the assistance of so many people.

We are extremely proud to note we serve every child who has been removed from their home due to abuse and neglect. This is a huge feat. Ordinary people can truly achieve extraordinary results.

I am thankful for the efforts of the NHCASA team. Anna, Brenda, and Chelsie go above and beyond in everything they do. Everyone plays a vital role in the success of our program. The meaning of TEAM is "Together Everyone Accomplishes More." This is certainly a genuine reflection of our staff.

As we look forward to our summer fundraising activities, I encourage you to get involved. Every act of volunteerism and kindness is worthwhile and appreciated. Please visit our website at www.nhcasa.org for more information.

With your continued support, we are improving the lives of our world's most vulnerable population.

With deepest gratitude,

CASA CATCH UP

with Child Advocacy Specialist Anna Schmidt

Over the past five months, the staff members and volunteers of Northern Hills CASA have been busy continuing to ensure the voices of abused and neglected children are being heard in courtrooms throughout the Fourth Judicial Circuit. Since January 2024, NHCASA has advocated for 66 children, in seven of the eight counties that make up the Fourth Judicial Circuit. With A&N cases sadly on the rise, it is vital that caring and dedicated individuals continue to come forward to be a voice for children in the foster care system. In March, NHCASA was elated to welcome TEN new volunteers who were sworn in following successful completion of the spring CASA training session and six of them have already been assigned to their first case! Because of the overwhelming interest in the training, we have added another training session which will start in June. We are hoping to add to our already amazing pool of Court Appointed Special Advocates, who have done some wonderful things over the last few months.

One CASA volunteer played an instrumental role in researching mental health services available to her CASA child, who was living in another state, on trial reunification with her mother. These services were vital for her CASA child to have, and she encouraged and supported the mother to not take no for an answer. Successfully, that child started the services she needed and is doing well. Not only did the CASA volunteer advocate for the child's best interest, but she helped teach the mother how to do the same.

In March, one CASA celebrated a happy ending when her CASA child was adopted by his relatives. This was the advocate's third case since becoming a Court Appointed Special Advocate in 2015, and her previous two cases also ended in adoptions. As she had done with her other cases, the advocate prepared a memory book containing photos of the child taken throughout the life of the case. It was a moving gesture which provided a beautiful timeline showing how much the little one had changed over twenty months.

These are only two of the many wonderful ways our advocates are having a profound impact on the lives of the children they serve. From driving hundreds of miles just to spend a couple of hours with their CASA child in person, to juggling the schedules of various placement providers to ensure siblings can see each other every week; our CASA volunteers do it all and our program would not be a success without each and everyone one of them!

Recognition Spotlight

February Spotlight

Thank you to our CASA volunteers, Earla Karels, Julia O'Neil-King, and Russ Eisenbraun, for helping at the NHCASA booth at the Counts Car & Cycle Show. We appreciate CASA Luke May for the idea and opportunity and the Counts Car Club for donating the vendor space.

April Volunteer of the Wonth

Linda Stambaugh has been a CASA volunteer since October 28, 2019. She has advocated for 12 different children on 6 cases.

"As a CASA volunteer, I have the privilege to spend time with children who are going through one of the hardest times in their lives. I became a CASA to give a little extra love and support to kids who need to know they are special, and to try my best to speak up for them throughout the court process. One of the things I enjoy the most as a CASA is taking "my CASA kids" on fun outings. The biggest joy for me is hearing from my kids after their case is closed, and seeing them happy and successful in their lives. These awesome kids are my heroes and I have been honored to serve as their advocate."

March VOLUNTEER OF THE MONTH

Susie Gross

"I have never had to walk a mile in these children's shoes.

As a school bus driver and being around children on a daily basis, I hope that through my training and knowledge I would have the compassion to see the child and not the behavior. It is my honor to serve them.

I became a CASA volunteer to stand in the gap for the least of these."

Susie completed initial volunteer training in April 2019, has been appointed to 5 cases serving 8 children, and is currently serving two adolescents.

Volunteer of the Month

Victoria Hogrefe has been a CASA volunteer since October 24, 2013. She has advocated for 17 different children on 9 different cases.

"I became a CASA because I believe that "giving back" is a non-negotiable after retirement and raising children. My 25 years in public education opened my eyes to the fact that I have led a very fortunate life and working with children appealed to me. Each case is unique. Knowing that I provide consistency, support, and love to each child I am lucky enough to work with is why I continue with this volunteer position. I appreciate my mentors in the Spearfish office."

APRIL WAS CHILD ABUSE PREVENTION MONTH

We want to thank all of the various businesses who partnered with NHCASA to host our CUP O'CASA events and hand out CASA coffee clutches. Also, we appreciate Sturgis Strikers Bowling Alley for allowing us to conduct a fundraising activity which raised awareness

of child maltreatment.

Northern Hills CASA Sponsorship/Donation Contract

The Northern Hills Area Court Appointed Special Advocate Program (NHCASA) relies on donations and fundraisers to continue providing services to abused and neglected children in our area. The children served by NHCASA appreciate all forms of support. You can be assured your donation will be used in the most prudent manner on behalf of the many children we support. Please see the attached sponsorship levels and ways to promote your business to participants. Please return your donation as soon as possible to receive sponsor benefits.
